

Guardian's International Assist

Guardian is committed to helping you add more value to your clients' dental benefits. With International Assist*, members now have access to dental care if needed while traveling outside of the United States.

- Available in over 200 countries, the service can be reached internationally via a collect call at 1 630 766 7710 and within the US at 1 888 647 2701.
- Members will be provided with referrals to dentists and facilities providing emergency dental care.
- Details provided include specialty, experience and English-language proficiency.
- Dentists have gone through strict credentialing, looking at factors including local accreditation, experience working with foreign patients and patient care environment.
- Reimbursement for services through an International Assist dentist will be as an out-of-network service. Members just need to save receipts and submit a claim.

International Assist is included on all Guardian dental plans at no additional cost.

A value-added service included in all Guardian Dental Plans
